## WARRANT FOR ANNUAL MEETING

### STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Amherst in the County of Hillsborough, in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Amherst, on Tuesday the 12th day of March next, at eight o'clock in the forenoon to act upon the following subjects.

1. To choose all the necessary Town Officers for the ensuing year.

2. To vote to raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations for the same.

3. To see if the town will vote to allow the usual discount on taxes: 3 per cent. to July 1st, and 2 per cent. to August 1st.

4. To see if the town will vote to give the Town Treasurer authority to borrow money in anticipation of taxes.

5. To see if the town will vote to raise and appropriate the sum of \$961.52, State to give \$3846.10 for classified road improvement.

6. To see if the town will vote to receive State Aid; the State to pay \$1798.00, the town to pay \$1798.00. Must be expended on the Mont Vernon road. The State will not co-operate on both Articles 5 and 6.

7. To see if the town will vote to raise and appropriate the sum of \$100 to register and insure the fire truck at Baboosic Lake owned by Baboosic Cottage Association.

8. To see if the town will vote to raise and appropriate the sum of \$10 to install a street light at Baboosic on the shore road at the Cumming's Cottage.

9. To see if the town will vote to keep open the Town Library on Saturday afternoon, in addition to the present schedule.. By petition.

10. To see if the town will vote to petition the State Tax Commission to have an Audit made by the municipal auditing division and to make an appropriation to cover the expense of such audit.

11. To see if the town will vote to gravel and tar the road leading from Route 101 by the schoolhouse to connect with the Mont Vernon road.

12. To see if the town will vote to accept the location as laid out by the N. H. State Highway Department for the reconstruction of the State Highway, Route 101,

through the town of Amherst, said location extending from the last Federal contract and going past the Spalding corner, and up the street past the so-called Bean Place and the Clark Place, and west of the Parker Place going northerly through the woods and coming back to the main highway at the beginning of the long tangent. Plans of which are on file in the town office.

13. To see if the town will vote to repair the present power road grader or vote to buy a new power road grader, to raise and appropriate money for the same.

14. To see if the town will vote to raise and appropriate the sum of \$100 to spray the elm trees in the village for elm blight.

15. To see if the town will vote to raise and appropriate the sum not exceeding \$1500 for the purpose of installing a heating plant in the town hall.

16. To see if the town will vote to raise and appropriate the sum of \$100 to build a water hole for fire protection on the Hollis road.

17. To see if the town will vote to appoint a zoning commission to consist of five members who shall serve without compensation, to recommend boundries for zoning district in said town and to recommend appropriate regulations therefor in accordance with the provisions of Chapter 42 of the Public Laws.

18. To see what sum of money the town will vote to raise and appropriate for the purpose of securing competent engineering advice relative to a water supply for Amherst village.

19. To see if the town will vote to close the dirt road from Frank Richardson's place by Mr. Bundy's place to route 101.

20. To see if the voters will give the Selectmen authority to sell piece of land at Ponemah formerly leased to RR

21. To consider and to express the opinions of the voters of the town of Amherst upon any re-location of the highway known as Route 101, either through or around the village of Amherst.

22. To transact any other business that may legally come before said meeting.

Given under our hands and seal this twenty-fourth day of February in the year of our Lord, nineteen hundred and forty.

RALPH C. BILLS,  
ERNEST H. PEASLEE, } Selectmen of Amherst  
ASHTON L. MARTIN, }

### STATE BOARD OF HEALTH

July 6, 1939.

Health Officer, Mr. Wetherbee,  
Amherst, N. H.

Dear Sir:

Following is the report of the Health Work which has been done in your community by the New Hampshire State Board of Health, cooperating with the local agencies as represented through the Child Health Conference Committee.

Child Health Conferences:

Number held—1

Number children attending—44

Number found with defects—27

Number defects found—34

Diphtheria Immunization Clinics:

Number held—1

Number children receiving treatment—10

Ages 6 months to one year—3

Pre-school—7

CLARE A. HAMILTON,

Public Health Nurse,

New Hampshire State Board of Health.

## SEXTON'S REPORT

Looking back a year ago when the Cemeteries were strewn with trees down, broken gravestones and debris, we have no need to ask what has been done. Some of the undesirable hard pines blew down and were disposed of, but of course we disliked to lose some of the large spruces at the entrance. The Trustees voted \$100 of the trust funds to help out on the cleaning up from the hurricane.

Your Sexton has tried to improve the Crickett Corner cemetery by seeding. The whole cemetery has been covered with fertiltzer, seeded and harrowed, also a small amount of paint has been applied to the fence. The entire fence should be painted this year as it is decaying very rapidly.

In Meadowview Cemetery the new piece of land has been laid out in lots and several have been sold. I would suggest that the blueprint be revised, allowing a wider avenue on the east side, thus making an entrance from the street through the new piece, and thus preventing confusion at funerals.

It is the intention of the Sexton to use a few of the lots for shrubs.

CLARENCE H. HAGAR, Sexton.

Z. B. KEMP, Clerk of Trust Funds, Amherst, N. H.

## SIXTIETH ANNUAL REPORT AMHERST TOWN LIBRARY

Herewith is submitted the sixtieth annual report of the trustees and librarian of the Amherst Town Library for the year beginning February 1, 1939 and ending January 31, 1940. The library board was composed of Mrs. Harold Perry, re-elected, Reverend John LeBosquet, elected for a three-year term; Miss Bertha L. Piper and Mr. T. W. Whittle, the latter elected to complete the unexpired term of Mr. George Howard, whose terms are to expire in 1941; and Mrs. Willis Fisher and Mrs. Donald Davis, whose three years end in 1940. Miss Rosalie Norris commenced her second year as librarian.

There were eight regular meetings, the last Wednesday of each month, and three special meetings, with Mrs. Fisher as chairman, Mrs. Davis, secretary-treasurer, and Miss Piper and Mr. Whittle, the library or building committee.

In addition to the transaction of the usual business incurred in running the library, the board followed its custom of budgeting to accomplish a few "extras": first, the binding of two years of the Milford Cabinet—it might be of interest to know that the only complete file of the paper which was printed for so many years in Amherst is found in the library; second, installation of a removable wall-board paneling of the balcony, which appears to be a successful attempt to solve the problem of heating the building at a minimum cost; third, an improved system of lighting in the stacks; and fourth, a large bulletin board in the entrance hall.

The board was pleased to learn of the honor conferred upon Miss Norris at the Fiftieth Annual New Hampshire Librarians' Association Meeting at Ply-

mouth, September 6, where she received the annual award of merit for having done the most constructive work in any library in the state. For the past three summers at her own expense Miss Norris has attended the Summer Library Institute held at Durham.

The trustees feel that the townspeople should be informed of the policy adopted in regard to any library property in a house quarantined by the recent scarlet fever epidemic. None of the contaminated books or magazines were permitted to be returned. A strenuous effort is being made to replace all late and popular books, especially the Junior Literary Guild books lost to the library. For those who may not know, there are three Junior Literary Guild subscriptions for the children; one for the younger readers and one for the boys and one for the girls of high school age. Since this is the tenth year of membership in the Guild, there is a goodly number of excellent, carefully selected books for children. The three large scrapbooks made from the paper jackets are kept at the high school throughout the school year.

The trustees are not unaware that there has been some discussion of increasing the library hours, but the board wishes to point out that the question of more library hours must be balanced against the desire for more books and the present need of economy in all town expenditures.

The librarian's report falls into three parts, the book stock, enumeration of gifts, and the list of activities. The year commenced with 9,554 volumes (7,938 adult, 1,616 juvenile). 281 volumes were added, of which 179 were gifts. 174 books were discarded, making a grand total at the end of the year of 9,661 volumes (8,006 adult, 1,655 juvenile). There are 352 registered borrowers, an increase of

106 over last year—152 children and 200 adults. In circulation the figures are comparable to those of the preceding year: 7,948 volumes of fiction (adult 4,639, juvenile 3,309); 927 volumes of non-fiction (adult 651, juvenile 276); magazines 2,180 adult, 185 juvenile; inter-library loans, 25 adult. This makes the grand total in circulation 11,265, of which 7,495 are adult and 3,770 are juvenile. Any registered borrower may avail himself of the opportunity of the inter-library loans. Any book, usually non-fiction, not in the local library may be borrowed from Concord or Hanover or other libraries throughout the state by payment of the postage one way. The librarian will be glad to assist at anytime.

The board is happy to acknowledge the following gifts: an oil painting by Mrs. Minnie Owen from the Owen estate; an old Milford Cabinet from the Reverend Amos Chase. Magazines were donated by Mrs. Norwin S. Bean, Mrs. Willis F. Fisher, Mrs. George Huntington, Miss Bertha L. Piper, Mrs. Robert S. Telfer, Miss Fannie E. Weston, Mr. Horton Allen, Dr. LeBosquet, and Mr. Charles Tracy. Books were received from the following: Brenda Allen, Mrs. Norwin S. Bean, Mrs. E. H. Bishop, Henry Davis, Mrs. Willis Fisher, Miss Mary Grant, Miss Dorothy Going, Terry Miller, Mr. Charles Prior, Mrs. George Spaulding, Miss Marjorie Spillman, Mrs. Robert Telfer, Mr. Charles Tracy, and Mrs. Richard Weston.

The library lists among its activities:

February 13-17, 1939, Miss Catherine Pratt, field worker of the New Hampshire Library Commission, assisted in revising the library catalogue with no expense to the library. During her stay a tea was given at Mrs. Telfer's for Miss Pratt and Miss Norris by the trustees.

May 27-June 3, 1939, library closed for stock-taking.

August 15, 1939, a box of duplicate gift books was sent to the Manset Library in Manset, Maine.

November 13-18, 1939, National Book Week. Fifteen entries in the exhibit of foreign articles. Miss Margaret T. Grant, executive secretary of the New Hampshire Public Library Commission, and Miss Elizabeth Humphrey were visitors.

November 21, 1939, the librarian was hostess for the Parent-Teacher meeting. Miss Ethel Putnam spoke on her experiences at the Chinese Legation in Washington and Mrs. Robert Telfer gave an account of a trip to Mexico.

December 23-30, 1939, library closed because of the scarlet fever epidemic.

The usual plan of including a detailed account of the yearly expenditures has been dropped since the board felt that few if any read it; however, the report by checks may be found posted at the library and at the town hall. The year commenced with a balance of \$5.09 and an appropriation of \$500.00. The fines for the year amounted to \$27.00 and the interest from trust funds to \$80.13, making the total income \$612.22. The various items of expense were placed under the following heads:

Balance	\$ 5 09
Lights	10 00
Salary	180 00
Grounds	18 86
Supplies	17 10
Fuel	80 25
Books	148 65
Magazines	46 43
Cleaning	80

Miscellaneous	52 07
Binding Cabinets, stack lights and balcony paneling	
	<hr/>
	\$554 16
On hand	58 06
	<hr/>
	\$612 22

This leaves a balance on hand February 1, 1940 of \$58.06, a somewhat larger sum than usual since money had to be set aside for the librarian's salary for February and for the order of books lost to the library which had not been filled at the closing of the accounts for the year.

The trustees and librarian do not wish to end the annual report without some mention of appreciation of the interest and generosity of the many friends of the library.

Respectfully submitted,

Trustees of the Amherst Town Library.

DOROTHY J. DAVIS, Secretary-Treasurer.  
ROSALIE NORRIS, Librarian.

Amherst, N. H., February 9, 1940.

We hereby certify that we have this day examined the foregoing accounts and find them correctly cast and properly vouched.

MALCOLM D. CLARK,  
SUMNER F. MERRILL,  
Auditors for Town of Amherst.

## WARRANT FOR ANNUAL MEETING

### State of New Hampshire

To the Inhabitants of the School District in the  
Town of Amherst, qualified to vote  
in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 12th day of March 1940, at two o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year, July 1, 1940 to June 30, 1941.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.
6. To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors, and Committees in relation to any subject embraced in this Warrant.
8. To see if the District will vote to make any alterations in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the District, as determined by the School Board in its annual report.

9. To see how much money the District will raise and appropriate for special repairs and alterations of school property, for new equipment, and for new construction or for the purchase of property to be used for school purposes, and to issue serial notes if necessary.

10. To see how much money the District will raise and appropriate for insurance of school property.

11. To transact any other business that may legally come before said meeting.

Given under our hands at said Amherst this 5th day of February, 1940.

ARTHUR L. UNDERWOOD,  
WOLCOTT STUART TELFER,  
RALPH P. CURRIER,  
School Board.

### CORRECTION:

Since publication of the above, State Aid figures for December 1940 have been received. The corrected amount is \$1399.45 in place of \$1675.00. Therefore, the total amount necessary to meet the School Board's Budget and Special Appropriations should be \$13919.55 instead of the \$13644.00 as printed above.

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

To the School Board and Citizens of Amherst:

I herewith tender the thirty-first annual report, my first in the series. As you well know, the year about which I am to report was largely within another's administration. Therefore, I beg your indulgence if this is not as complete as expected. A statement recently caught my eye: "A beginning administrator should not be too aggressive but should adopt the normal course and gradually work in his changes." Without too much emphasis on the last part of the statement, these sentiments are mine. It is my plan to adjust myself to the organization as I come into it to suggest changes only as the need arises or a change will better serve the pupils in the schools. There can be little dispute of the fact that everything done must contribute to pupil welfare. We must weigh and measure every procedure in these terms.

### Personnel

The present school year opened with two changes in the teaching staff. Miss Louise Hatch of Milford, after a few years' of experience in another district, was engaged to succeed Miss Forbes in the first and second grades. Miss Evelyn Copeland of Connecticut and a 1939 Bates College graduate was chosen for the vacancy at the High School, in place of Miss Baker. Hardly had school opened before Mr. Boerker gave notice that he wished to withdraw from teaching in order to pursue a training course in laboratory work. We wish Mr. Boerker well in his new venture. Available candidates for the vacancy were rather limited. Contacts with several institutions were without success until information concerning Mr. James Lovenbury was received. He is a 1939 graduate of Norwich University and presents excellent qualifications as he comes to fill the va-

cancy. It is with some satisfaction to report that these three new teachers are giving a good account of themselves. Miss Elsie Wheeler continues her effective work as Music Supervisor. Teachers retained from last year are listed in another column.

### **Accomplishments**

I can but briefly give you information upon this subject as it pertains to the year before I began service. However, I like to report on pupil achievements. It is the phase of the work I most enjoy. I refer you to the list of pupils neither absent nor tardy as one achievement. Pupils as well as parents are to be commended for the efforts shown. Then you will be interested to know that of the one hundred eighty-four children in your schools in June 93% of them received promotion. This high figure is indicative of good teaching as well as pupil achievement. I hope to be more specific in regard to achievements in the next report.

### **Financial Data**

Recent reports from the State Board of Education reveal the figures given below. They show the financial burden to support schools in your district as compared with some other districts. The value of state-aid is well illustrated in the tabulation. The districts named in the tabulation are those in this union together with that district which has the least expense and the one which has the greatest expense. The numbers appearing before the districts indicate their relative position in the state.

Current Cost per \$1000 of Equalized Valuation  
1938-1939

	Total	State-Aid	Net
1. Monroe	\$ 3.12	0.00	\$ 3.12
46. Mont Vernon	8.18	0.00	8.18
79. Milford	9.81	0.00	9.81
99. Amherst	10.97	1.33	9.64

107. Brookline	11.34	2.35	8.99
125. Hollis	12.03	1.06	10.97
241. Unity	30.11	16.11	14.00

The elementary per pupil costs for the year 1938-1939 for this union are: Amherst \$72.63; Brookline \$62.09; Hollis \$63.92; Milford \$62.21; and Mont Vernon \$106.37, while the median per pupil cost for the whole state was \$81.07.

The per pupil cost of high schools in this Union and its environs is as follows: Milford \$62.99; Appleton Academy \$95.82 (instruction only); Marlboro \$95.83; East Jaffrey \$105.16; Peterboro \$105.36; Hollis \$105.38; Amherst \$107.45; Wilton \$108.53. The median cost for high schools in the state was \$104.29.

These figures should point to the fact that your schools have not been conducted at excessive cost.

### Needs

I feel again that my short term here compels restraint. Your School Board is anxious to wisely expend all monies entrusted to its care. There are two needs which seem to me to be paramount. First, we note the need for a place in which basketball may be continued as a high school activity, the only organized sport in this school. Although the recent quarters are not adequate, they do serve a purpose until more suitable provisions can be made. Now that this building is about to be removed, a serious problem presents itself. I trust that a solution satisfactory to the many concerned may be effected. Second, I would call your attention to the need of replacing the water piping in the high school building. For some time there have been various complaints about the water. Tests indicate no difficulty at the source, so the trouble must be in the piping from the well and in the building. Replacement with brass piping or some other safe, non-corrosive metal should be attempted at the first opportunity.

### Conclusion

I conclude this discussion with a reiteration of principles. Education is necessary to an enlightened democracy but the education some are to receive must be varied to meet needs and capacity for attainment. Hence, a broad program of subject matter is offered. The majority can assimilate the usual program. The few who cannot compel, unfortunately for our finances, a wide latitude of selection. Yet each and every one is a member of our American democracy and must be served to the best of our ability. Such is the aim of present day education.

I am especially grateful to the citizens of Amherst for their cordiality and friendly attitude. My contacts in your midst have been very pleasant. I am further appreciative of the active interest of the School Board and the conscientious efforts of your loyal teachers. I believe we are working cooperatively to further the interest of childhood which will lead to good citizenship as youth assumes the cares of management in due season.

I hasten to add a word of commendation for the community interest and spirit which I note in Amherst. The Clark School is but one evidence of this fact. As I survey its construction and equipment, I marvel again and again at its minimum cost and how well it serves the community. It is an outstanding example of your initiative and pride.

I invite your attention to the statistics and other reports which follow.

Very respectfully,

HAROLD C. BOWLEY,  
Superintendent of Schools.

February 5, 1940.

## REPORT OF SCHOOL NURSE

---

To Mr. Harold C. Bowley, Superintendent of Schools,  
Amherst, N. H.:

The following is my annual report of the health work in the Amherst schools.

The medical inspection was made by Dr. Oscar Burns, the nurse assisting. A tabulated record of this inspection will be given in the School Physician's report.

Four pupils were vaccinated by Dr. Burns after this inspection.

One hundred and forty-five class room visits have been made during the year and home visits as necessary for health and remedial work. Many morning inspections have been made since we have had several scattered cases of scarlet fever.

The annual dental clinic was held as usual in the lunch room of the Clark School with Dr. Richard Lawrence as dentist, and Mrs. Kenneth Main as chairman and clerk at the clinic. The clinic was in session nineteen mornings from nine to twelve, at which fifty-four children received necessary dental care.

The vision tests were made by the Snellen Chart. Many pupils have already had the necessary corrections while others are still waiting. I hope to do more remedial work in the future.

Clothes have been distributed as needed from time to time.

Several children were admitted to the Nose and Throat Clinic at Grasmere Hospital for necessary corrections.

One child has had many visits to the Orthopedic Clinic.

The Well Baby and Pre-School Round-Up was well attended at the Town Hall in July. Diphtheria inoculations were available at this time.

In the spring we hope to have the tuberculin testing and x-ray demonstration for the pupils of all grades. This will be done by Dr. Robert Kerr, from the New Hampshire State Tuberculosis Association.

In conclusion, I wish to express my appreciation to school officials, teachers, pupils, and parents for their cooperation during the year.

Respectfully submitted,

VENITA H. CARTER, R. N.,  
School Nurse.

February 9, 1940.

### REPORT OF SCHOOL PHYSICIAN

To the School Board of Amherst:

The following is my annual report of the medical inspection made October, 1939.

Number examined: Pupils 191; Teachers 7.

Number not present: 3.

Defects Found	Number of Cases
Defective Hearing	1
Anaemia	2
Cardiac Disease	2
Deformity	8
Defective Teeth	40
Diseased Tonsils	24
Defective Breathing	2
Enlarged Glands	2

Respectfully submitted,

OSCAR BURNS, M. D.,  
School Physician.

February 9, 1940.

## HEADMASTER'S REPORT

---

To the School Board, Superintendent of Schools, and Citizens of Amherst:

I herewith submit my third annual report.

September 6, 1939 saw the opening of the school year with an enrollment of 46 in the High School, among which were 10 seniors. Since then one new pupil has entered school and one has left. In grade VII there are 15 and in grade VIII 8 pupils.

There have been two changes in the faculty for grades VII-XII during the past year. In September Miss Evelyn Copeland of Thomaston, Connecticut, joined the staff as teacher of English and French and Coach of Girls, and during November Mr. James Lovenbury of Taunton, Massachusetts, replaced Mr. Boerker in the Science department.

Attendance was excellent up to the Thanksgiving vacation. Shortly after that recess, some light cases of scarlet fever appeared in Amherst and, at one time during the next few weeks, as many as ten members of grades VII-XII were under quarantine and others were out of school for a day or two at a time.

Finally, at the close of the afternoon session on Wednesday, December 18, the School Board directed that both schools be closed until after January 1, 1940. During the interval, the buildings were fumigated and desks cleaned and aired. The Headmaster greatly appreciates the cooperation of Miss Carter, Dr. Burns, Mr. Phelps, Mr. Wetherbee, and many others who assisted in preventing any further spread of the fever.

The social program for the year opened on September 27 with a hike to Pine-Top, where games and a hot-dog roast were enjoyed.

On November 17, members of the Triple Entente

Association, under the guidance of Miss Evelyn Copeland, Bates '39, presented in the Town Hall the play "The Tin Hero." This dramatic production was somewhat a change from those of the past three years and was well received by a large and enthusiastic audience.

Other activities enjoyed by the pupils include a trip to Manchester to the movie "Hunchback of Notre Dame," skating party, and Hallowe'en party. An alumni party and dance was scheduled for the week of December 18, but was cancelled when it was decided to close the schools. The schedule for the balance of the year includes a snow party, benefit movie in March, leap year dance, prize speaking, Junior Prom, and Senior Swing.

From the time when practice starts in November until the season closes in early March, much of the school's interest centers on basketball. This is the most expensive activity that is sponsored by the T. E. A. Among the expenses of this sport are rent and transportation. These are the two largest expense items. The average season includes ten scheduled games plus various practice games. Transportation to five towns at a distance of about sixty miles round trip runs into quite a sum of money.

At the beginning of the season managers were elected to arrange for games. Both teams have been fairly successful this year. The boys won a practice game over Milford 33-26, a Hollis game 28-27, a game with Antrim 27-14, a Milford junior varsity game 35-6, and lost a Weare game by a one point margin.

The girls defeated Hancock 16-9, Hollis 19-14, Antrim 35-12, and lost to Weare 21-20.

At the time of this writing, everything points toward the best season Amherst has had since 1929, and a large amount of material available for the

next few years is very encouraging to the coaches. The problem which does face us, however, is where the high school teams will find a place to practice and play next year and years to come. I hope this will be given serious consideration.

With the various activities already mentioned to supervise, and with classes to teach practically every period during the week, the teachers of a small high school must be of varied experience and excellent adaptability. The staff in Amherst contains teachers from several different colleges and several states. During the entire year, the cooperation, willingness, and untiring efforts of Miss Piper, Miss Copeland, and Mr. Lovenbury have been a source of pleasure and satisfaction to me.

In our janitor, Mr. James Phelps, you people of Amherst have a man who is constantly striving to keep the school buildings safe and healthy places for your children to attend. I personally appreciate the long hours he must spend in his work and the interest he shows in the pupils and the members of the staff.

In closing I wish to thank members of the School Board, Superintendent Bowley, and all those citizens who are constantly alert and ready to do what seems best for the children of this community.

Respectfully submitted,

GORDON R. AYER,  
Headmaster.

February 12, 1940.
